

# 2007 Health Academy Summer Experience

**This is one-week residential summer program for high school student's grade 9-11 who have an interest in health careers. During the program students conduct scientific research; participate in Health and Leadership workshops; visit medical schools; and shadow health professionals at the local hospital.**

## **- Interested Students -**

If you are interested in participating in a health careers program here's how to apply:

Get on our mailing list. You can access the mailing list online at [www.southernregionalahec.org/health\\_careers/healthcareershome.htm](http://www.southernregionalahec.org/health_careers/healthcareershome.htm)

*High School students are required to have at least a 3.0 GPA to participate in all programs.*

Wait to receive an application. Applications will arrive at least two months before the deadline.

**Apply Now! Space Limited!**
