HIPPA Program: 1:15 p.m. - 4:30 p.m.

Location

Cape Fear Valley Health Systems Hoke Campus
300 Medical Pavilion (2nd Floor Conference Room)
Raeford, NC 28376

Target Audience

Physicians, Physician Assistants, Pharmacist, Pharmacy Technicians, Dentist, Dental Assistants, Nurses, Nurse Practitioners, Nurses Aides, Practice Office Managers, Allied Health, and other helping professionals who desire the update.

Program Description

This event is split between two separate programs in which will receive three credit hour per program. Participants can register for both programs or register for one of the programs that fits his or her needs.

The first session will be the HIPAA program. During this program, the instructor will provide a baseline review of the HIPAA Privacy and Safety as well as a complete review of breach detection, reporting and prevention strategies. The role of business associates and risk analysis will be discussed in order to position your facility to provide the highest level of protection for patient information.

The second session will be the OSHA update. This training will address measures to reduce the likelihood of a bloodborne exposure, the post exposure process, and a review of the Hazard Communication Standard and the Globally Harmonized System of Classification and Labeling (GHS). Bring your questions about employee safety and leave with checklists and practical application of current safety requirements. You don't have to dread the consequences of non-compliance!

The handouts for this program will be provided online through MyCE from SR-AHEC's website. Early registration is encouraged, as full access instructions will be mailed with your registration confirmation via e-mail.

Objectives

Upon completion of this knowledge based program, the participants will be able to:

- Discuss basic tenets of the Privacy and Security rules including patient access guidance
